To the extent that such payment would otherwise not have been approved, an authorized individual (see 1.603-3) shall take action to remove the charge, such as by disputing the charge with the third party or by requesting that the contractor credit the charge back to the Government under the contract.

(b)(1) Written contracts to be paid by purchase card should include the clause at 52.232-36, Payment by Third Party, as prescribed by 32.1110(d). However, payment by a purchase card also may be made under a contract that does not contain the clause to the extent the contractor agrees to accept that method of payment.

(2)(i) When it is contemplated that the Governmentwide commercial purchase card will be used as the method of payment, and the contract or order is above the micro-purchase threshold, contracting officers are required to verify (by looking in the Central Contractor Registration (CCR)) whether the contractor has any delinquent debt subject to collection under the Treasury Offset Program (TOP) at contract award and order placement. Information on TOP is available at <http://fms.treas.gov/debt/index.html>.

(ii) The contracting officer shall not authorize the Governmentwide commercial purchase card as a method of payment during any period the CCR indicates that the contractor has delinquent debt subject to collection under the TOP. In such cases, payments under the contract shall be made in accordance with the clause at 52.232-33, Payment by Electronic Funds Transfer—Central Contractor Registration, or 52.232-34, Payment by Electronic Funds Transfer—Other Than Central Contractor Registration, as appropriate (see FAR 32.1110(d)).

(iii) Contracting officers shall not use the presence of the CCR debt flag indicator to exclude a contractor from receipt of the contract award or issuance or placement of an order.

(iv) The contracting officer may take steps to authorize payment by Governmentwide commercial purchase card when a contractor alerts the contracting officer that the CCR debt flag

indicator has been changed to no longer show a delinquent debt.

(c) The clause at 52.232-36, Payment by Third Party, requires that the contract—

(1) Identify the third party and the particular purchase card to be used; and

(2) Not include the purchase card account number. The purchase card account number should be provided separately to the contractor.
